'Invention Convention'

Millbury and Sutton have budding inventors whose novel ideas have won them some recognition at the Third Annual Invention Convention held in conjunction with the College Gate summer program at the Bancroft School in Worcester. Seven-year old Jeffrey Raymond of Millbury and six-year old Eric Jones and nine-year old Kristen Kaczynski of Sutton each won first place in their divisions.

Jeffrey, who will be entering the second grade at Assumption School in the fall, won first place in the first grade division. His invention was one answer to the problem of reaching high places. By attaching large plungers to his sneakers, Jeffrey attempted to "climb the walls" to reach normally inaccessible places. The drawings which accompanied the invention illustrated how the invention was expected to work. They showed a person walking up the walls and over to various locations in the kitchen. "It didn't work out too well," Jeffrey said, undaunted but a little disappointed.

Eric Jones will be entering the first grade at the Sutton Elementary School this fall. His invention, which he has since dismantled, had particular application in this hot weather. Eric attached little popsicle-making trays to his sneakers. His idea was designed to help people beat the heat by keeping their feet cool during the hot weather. Eric spoke with pride of his idea, but, since he needed his sneakers, he had to disassemble his prize winning creation.

Millbury Police Chief

George R. Brady

August 28, 1928 - August 6, 1988

MILLBURY - Flags flying at half-staff give silent testimony to the 33-year career of Millbury Police Chief George R. Brady who died of an apparent heart attack on Saturday at his summer home in Sutton.

Chief Brady began his police career on March 2, 1955 when he gave up a \$116 a week job at New England High Carbon in Millbury for a \$60 a week position as a Millbury Patrolman.

From 1955 to 1965, Chief Brady worked the 6:00 p.m. to 2:00 a.m. shift, six days a week. In 1962 he was promoted to Sergeant and, in 1977, to Chief.

Brady is survived by three sons, Thomas G. and Timothy J. Brady, both of Millbury, and Scott R. Brady of Uxbridge; a daughter, Linda M. Polissack of Millbury; a brother, Donald Brady of Millbury; two sisters, Elizabeth Croteau of Worcester and Gertrude Rudge of Pensacola, Florida; and six grandchildren.

In an August, 1987 interview with the *Millbury-Sutton Chronicle*, Chief Brady summed up his feelings on his police career saying that he "always got more satisfaction out of helping people than arresting them."

Selectmen Chairman Jude Cristo, speaking on behalf of the Board, expressed the board's sympathy and offered condolences for the family and friends of Chief Brady. "We're grateful for the many years of service he gave to the people of the Town of Millbury," he said.

Kristen Kaczynski loves Mittens, her cat. Her first prize creation in the third grade division was a "Cat Activity Center" which incorporated all of the activities that Mittens loves to do. Kristen included a ball, some reflecting paper for Mittens to see her reflection, a Quaker Oats container as a tunnel to crawl through, a tree limb to climb on, yarn with beads to hit, a scratching post, and a catnip tail. Kristen will be entering the fourth grade at the Sutton Elementary School in the fall.

From the Editor's Desk...

One Road Insufficient

The announcement by Goretti Management that it plans to construct a 35,900 sq. ft. building to house a new supermarket is welcome news. For anyone who has stood in the long lines at Goretti's Providence Street location, the announcement is long overdue. For many residents of Millbury and Sutton, the somewhat limited offerings and often higher prices at the Providence Street store often forced them to travel to Auburn or Worcester for the best bargains and selection of products.

Goretti's choice of location is another issue entirely. If, as their site plan suggests, there is only one access and egress road available (Canal Street), another site should be chosen. The potential for accidents from exiting and entering vehicles, and the possibility of traffic tie-ups all the way to the Main/Canal and Howe/Canal areas is enormous and should not be overlooked. In addition, residents living along Canal Street may find it increasingly difficult to exit and enter their own driveways safely and expeditiously.

Comments by Goretti's Attorney, Joel Greene, that the majority of the current traffic on Canal Street is already headed for the Providence Street supermarket, implying that no significant increase in traffic along Canal would result from the new location, is perhaps wishful thinking at best.

The Providence Street facility, while insufficient in size to adequately service area residents, was at least central to shoppers from Millbury, Sutton and even Grafton, without adversely affecting traffic on any of the main thoroughfares. This will not be so with the Canal Street location.

We urge the Planning Board to give careful consideration to the traffic issue. Area residents deserve a high quality supermarket but should not be expected to pay for it by sacrificing safety concerns.

Job Well Done

To the Editor:

I'd like to acknowledge all those who organized Millbury's 175th Anniversary festivities. The many people whose time and effort made these weeks a success should be commended for a job well done. I'm confident that all those who attended enjoyed these memorable events.

Challenges Houston

To the Editor:

As a candidate for state Senator of the First Worcester and Middlesex District, I challenge the incumbent Senator, John Houston, to publicly condemn the dictatorial tactics of state Senate President William Bulger. I further challenge Senator Houston to pledge to the citizens of our district that he will do all that is within his personal and political power to bring down the iron-fisted rule of Senate President Bulger.

I issue this challenge with great frustration and much anger. I am increasingly frustrated with Senator Houston's tolerance of Senate President Bulger's intolerable disregard for basic democratic principles. And I am angry - very angry - that Senator Bulger would use the children of Worcester and Boston as pawns in his political chessgame. Senator Bulger's open enrollment plan goes beyond playing politics and begins playing with the lives of young people.

While Governor Dukakis' veto put a stop - at least temporarily - to the Senate president's ludicrous and dangerous open enrollment plan, the children of Massachusetts are not safe from Senator Bulger's future tampering as long as there is no

strong opposition to his dictatorial rule of the Massachusetts State Senate.

I urge all people who are concerned with the education of young people and all people who are concerned with fundamental democratic principles to call for the removal of Senator Bulger from the office of Senate President in a clear, strong, unified voice.

If I am elected to the Massachusetts State Senate, I will vote for someone other than Senator Bulger for Senate President, or be a candidate for Senate President myself, or hold a news conference outside the Statehouse during the Senate President election - explaining why I will not participate in the charade of electing a Senate president. This I pledge to the people of the First Worcester and Middlesex District. I challenge Senator Houston to do the same.

A Bit of History.... by Grace Laflash

Because it is our town's 175th birthday, I would like to share a bit of history with you.

Excitement filled the air. It was November 4, 1884, election day in the village. The male populace of Millbury approached the new Town Hall with pride. This magnificent structure with its diverse chambers had been completed four years previously. It was quite different from the one room in the old Millbury Academy building (site of the Center School) which had housed the town government.

The women, being the astute creatures they are, were cognizant of the underlying reason for the added ebullience of their male counterparts. As a matter of fact, they may even have

had an opinion or two of their own even though voting was not yet one of their prerogatives.

This election was special. A self-registering ballot box was being utilized for the first time.

At the end of the day, the box registered 616 votes. However, after perusing the voting list, only 601 names had been checked. The ballots were removed and counted - the outcome: 601 cancelled, one uncanceled.

Introducing the

Transformer Mortgage

Because rates that go up, can come down.

If mortgage rates that go up can come down, why lock into a high fixed rate now?

With the Transformer Mortgage from Fidelity Co-operative Bank, you don't have to. The Transformer lets you pay a low adjustable rate now or lock into a fixed rate security at your option. You can keep your adjustable rate until fixed rates are lower, and convert to a fixed rate at no cost to you anytime between the first anniversary and the fifth anniversary of your loan, or lock in a fixed rate up to seven days prior to closing. The decision if and when to lock in is yours. That's the Fidelity Transformer advantage.

Our Hot, Hazy, and Humid weather continues, but there has been a bit of a breeze in the evening. Let's hope it continues to rustle up the trees enough to give us some relief.

We're hoping it is a pleasant Sunday on August 14th when the "Ragtime Rowdies" will entertain on the Common. Bring your chairs and prepare to relax and enjoy their band.

WHO AM I?

Folks always look at me askance,
As though they would not take a chance
On me or my veracity.
They have a doubt concerning me,
They say that I, in many a way,
Have often led them far astray,
By promising a lot of things,
And then my promises took wings,
They do not seem to know that I,
To keep my word do always try,
Or that I do the best I can,
Who am I? The Weatherman! - Anon.

Age Center Seeking Volunteers

WORCESTER - The Age Center of Worcester Area, Inc. is seeking individuals to volunteer to be friendly visitors, senior companions and hospital ombudsmen.

Friendly visitors are asked to spend a minimum of one hour each week visiting an older person, age 60 and over, who is isolated. Visitors establish a friendly relationship with their clients and provide companionship that those with limited access to the community miss.

Senior companions spend 20 hours a week visiting those age 60 and over who are usually experiencing health problems. Companions spend their time reading, walking, listening, reminiscing, assisting with light meal preparation, monitoring specific needs, providing recreational or social activities and friendship. Senior companions are not expected to do housework or personal care.

Hospital ombudsmen serve as advocates for those residents living in nursing homes by regularly visiting assigned nursing homes in the Worcester area and resolving problems.

Volunteers are trained for each type of work and may receive a modest stipend to partially cover the costs of volunteering. For information, contact the Age Center at 755-4388.

The Age Center is also looking for individuals who can provide an activity program for the elderly on an ongoing basis or a one time basis.

Individuals with ability in any of the following areas are needed: oral historian, poetry, music, magic, games, discussion groups, travel logs, humor, unusual hobbies. Call Barbara Diamond at 755-4388 for more information.

Correction

Due to inaccurate information supplied in a press release to the Chronicle, it was mistakenly reported that a grant of \$7,500 had been made to the Sutton Historical Commission for the Waters Farm Restoration Project. According to Malcolm Pearson, Chairman of the Sutton Historical Commission and author of the grant application, the Massachusetts Historical Commission has allocated \$7,500 in matching funds contingent upon successful completion of several steps, all of which must be completed before construction can begin.

Public Hearing to Deal with Buttonwood Ave. Truck Exclusion

By Terry Barnicle

SUTTON - On Tuesday evening, August 2, the Sutton Selectmen met with Chairman Mike Chizy and board members Rick Labonte, Wally Johnson and Carl Licopoli present. The following were among the issues discussed:

- SEWER COMMISSION VACANCY

The board postponed, until their next meeting, the consideration of two applicants for a sewer commission vacancy. The board must wait 14 days before acting on the matter.

- PLEASANT VIEW PUB LICENSE

The Selectmen directed Dexter Blois, Administrative Assistant, to send a Notice of Cancellation of a liquor license to William Bullard for Pleasant View Pub because the license was not being used on the premises nor was it transferred to a new location. Later in the meeting, James

Mullaney was granted an all-alcohol license for the restaurant.

- BUILDING TO BE DEMOLISHED

At the suggestion of the Building Inspector, the Selectmen voted to have the Colonial Orchards building on Route 122A demolished. It was reported that the building is not secure and that the roof is falling in.

- PRESERVATION ACT LAND

The board voted not to purchase two parcels of land on which the town has an Option of First Refusal. The property is under Sections 61 and 61A of the Land Preservation Act. One parcel, owned by Jane and Dennis LaForce, consists of 1.8 acres on Putnam Hill Road. The second parcel, owned by Frank Dakin, consists of 14 acres on Lealand Hill Road.

- SEWER BETTERMENT FEE

Tom Kimbar, of Stone School Road, came

before the board regarding a Sewer Betterment Fee. Kimbar explained that he installed a septic system on his property since he was never notified that sewers were to be installed in his area. The board agreed to investigate the matter and will consider waiving the betterment fee. They also congratulated Kimbar on his preparation and presentation of the matter.

- BUTTONWOOD AVE.

A traffic survey conducted on Buttonwood Avenue by a special duty officer, placed the count at 333. It was noted that 13.5% of the traffic is attributed to trucks over 2 1/2 tons in weight. Board Chairman Mike Chizy said that the Selectman can exclude truck traffic from this "very narrow and dangerous road," and suggested designating Boston Road as an alternate route.

Selectman Rick Labonte said that residents of Boston Road have approached him with concerns for the safety of their children if Boston Road is chosen as the alternate route. He suggested holding a public hearing so that people may voice their concerns regarding the banning of trucks.

Selectman Johnson suggested that Buttonwood Ave. be made one-way to split the traffic into two routes.

A public hearing on the matter is scheduled for 9:00 p.m. on August 16 in the Selectmen's chambers.

MS Bike Fest '88

On Sunday, September 18, hundreds of area cyclists will be shifting into high gear to benefit the Multiple Sclerosis Society. As participants in Bike Fest '88, these dedicated cyclists will be pedaling their way to good health while raising vital funds to help people in their communities currently living with multiple sclerosis.

Multiple Sclerosis is a chronic, often debilitating disease of the central nervous system which affects young adults, between the ages of 20-40. Symptoms vary among individuals, but can

range from slight blurring of vision and problems with coordination to total paralysis. To date, there is no known cause or cure for multiple sclerosis. However, the funds raised by participants in Bike Fest '88 will support ongoing research and local patient care programs.

For more information about Bike Fest '88 or about multiple sclerosis, contact the MS Society at 842-2223.

Shaw Middle School Recognized at White House Ceremonies

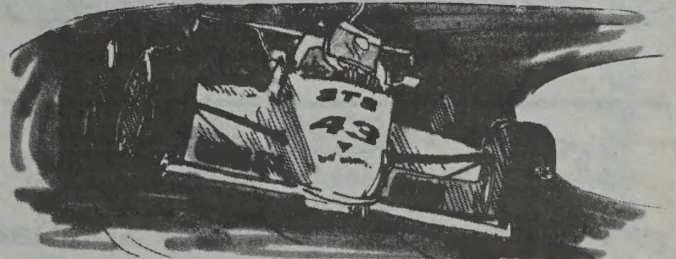

MILLBURY - On July 26, the Raymond E. Shaw Memorial Middle School was recognized as a Finalist in the second annual "Take Pride in America Program." The Shaw School is the only school in Massachusetts to be recognized for such an award.

President Reagan spoke at the ceremonies, which were held on the White House lawn. Reagan and Secretary of Agriculture, Don Hodel, acknowledged the group as "representing the most outstanding resource of stewardship activities and efforts undertaken across the country."

Millbury was selected as a finalist because of the many activities throughout the past two years that have been directed to develop a sense of pride in self, school, community, and country. Such activities have been successful because of the united efforts of community, business, administration and staff of the Millbury Public Schools.

Carole Chiras, Coordinator of Gifted Education, represented the Shaw School at the ceremonies.

Male applicants born after December 31, 1959, must be registered with the Selective Service. All applicants will receive a written test, and must prove their identity and employment eligibility. Paid training is provided to all temporary employees.

The Census Bureau would like to begin hiring as soon as possible. All interested individuals who meet the application requirements should contact Representative Moore, Monday through Friday, between the hours of 9 a.m. and 5 p.m. by calling 617/722-2692. The United States Census Bureau is an Equal Opportunity Employer.

Funds for this performance are made available by the Massachusetts Arts Lottery.

On The Shelf
By Rosemary Waltons

Most folks going on their summer vacation pack up their cars, round up the kids and take off. The radio may or may not go on automatically, but eventually it does, filling up on the sounds of local radio until you reach your destination.

If this is your scenario, with or without kids, and you've had enough of the drone of radio's top pop hits and need something different to while away the hours, try checking out one of the Millbury Public Library's books on cassette and "read with your ears." The best thing about "reading with your ears" is that you don't get car sick!

The Library has a collection of over 100 books on cassettes, fiction and nonfiction titles, for both adults and children. You can find the books-on-cassette collection next to the record section in the adult services and in the children's room.

Below is a list of select books on cassette for both children and adults.

FOR ADULTS

THE LONG GOODBYE - by Raymond Chandler, read by Elliot Gould. Gould played Marlowe, Chandler's cool cynical private investigator in Robert Altman's film version of *The Long Goodbye*. Here, he recreates this gruff but compassionate L.A. private eye in a story of love, betrayal, and murder.

A WOMAN OF INDEPENDENT MEANS, by Elizabeth Forsythe Hailey, read by Barbara Rush. This is an unforgettable book, accomplished first novel, and smash bestseller. It's the story of the life of Bess Steed Garner (1899-1977), and it illustrates the legacy of strength of the 20th Century woman. Rush's reading of *A Woman of Independent Means* is the audio presentation of that play.

THE LOVER by Marguerite Duras, read by Leslie Caron. Marguerite Duras is a major figure in modern French literature. *The Lover* was an international success in 1985 and a New York Times bestseller. Set in the colonial era of pre-war Indo-China, it is the bittersweet story of a passionate young French girl and her illicit liaison with the son

of an autocratic father. Reader Caron is a French born dancer/actress who has shared the stage with such greats as Gene Kelly, Maurice Chevalier, and Fred Astaire. She also starred in the 1985 movie *Dangerous Moves*, the winner of an Academy Award for Best Foreign Film.

IF TOMORROW COMES by Sidney Sheldon, read by Roger Moore. This was one of 1985's most popular novels. Sheldon poses the daring Tracy Whitney in a story of revenge against the brutal crime lords that ruined her mother's life. Moore, of *007* fame, provides a dramatic reading that breathes color and life in this story of terror and determination.

BRIDESHEAD REVISITED by Evelyn Waugh, read by Sir John Gielgud. Waugh has been called one of England's leading satiric novelists. In his most popular book, *Brideshead Revisited*, set during the "long weekend" between the Wars, Waugh provides a portrait of England's aristocracy. The story's narrator, Charles Ryder, finds himself drawn into the opulence of the era that will soon face painful disintegration. *Brideshead Revisited* was adapted for television for PBS and received critical acclaim in the early 1980's. Gielgud's reading of this novel recreates the charm of an era gone by.

THE RED FOX by Anthony Hyde, read by Donald Sutherland. This blockbuster bestseller is an international thriller about journalist Robert Thorne's search for the missing pieces of a puzzle, stretching as far back as Stalin and the indomitable Red Terror. Sutherland has starred in over fifty films, including *M*A*S*H*, *Dirty Dozen*, and *Ordinary People*.

CALL FOR THE DEAD written and read by John LeCarre. This is the book in which LeCarre introduces his unforgettable British intelligence agent George Smiley. Here, Smiley uncovers a foreign office suicide with international consequences. As well as being a master of the thriller genre, LeCarre is an articulate speaker, accomplished raconteur, and mimic. His reading of *Call for the Dead* combines all of his talents in an entertaining and engrossing two hours of listening.

IRONWEED by William Kennedy, read by Jason Robards. This Pulitzer Prize winning book is set in the 1930's in Albany. It is the story of Francis Phalen, ex-baseball hero, skid-row bum, and a man with a heart and wit who has peace to make with the ghosts of his past. A man of many talents,

FOR CHILDREN

THE CRICKET IN TIMES SQUARE by George Selden. What happens when country cricket Chester falls into a picnic basket and finds himself transported to new York City? This is a children's classic and Newbery Award winner about Chester the Cricket, who learns to live in a New York Times Square newsstand and develops his "singing" ability to bring fame and prosperity to his adopted family, the Bellinis.

WITCH, GOBLIN AND GHOST by Sue Alexander, read by Barbara Feldon. Need a good ghost story to keep your little goblins quiet? Here's a favorite story about the spooky but good-natured folks who live their lives in a glen not far from here.

ON THE BANKS OF PLUM CREEK by Laura Ingalls Wilder. This is another in the popular Newbery Series. Set in the 1870's, this is a story of eight year old Laura Ingalls and her life on the banks of Plum Creek, Minnesota, and the blizzard of '73.

THE ELEPHANT'S CHILD by Rudyard Kipling, read by Jack Nicholson with music by Bobby McFerrin. What's childhood without the whimsy and silliness of the story of how the elephant REALLY got its trunk! Here, this high adventure is told in the great style of one of our foremost actors, Jack Nicholson. Children and adults alike will enjoy Grammy Award winner McFerrin's musical interpretations of what went on at the edge of the great gray-green greasy Limpopo River.

MAMA ONE, MAMA TWO AND OTHER STORIES by Patricia MacLachlan, read by Glenn Close. Preschoolers especially will enjoy these simple, heart-warming stories of childhood. MacLachlan is a Newbery Medal recipient and author of *Sarah Plain and Tall*, winner of the Scott

O'Dell award for historical fiction.

NEW KID ON THE BLOCK, written and read by Jack Prelutsky. This is a fun book of poetry that will delight kids and make even the most adult of us smile. Prelutsky's theory is that "poetry can be as delectable as chocolate chip cookies," and he's right. In *The New Kid on the Block*, he proves it with such unforgettable poems as "My Mother Says I'm Sickening," "Ballad of the Boneless Chicken," and "Jellyfish Stew."

Presenting Kollios with his award, Josephus Long, MSPCC President, cited Kollios' efforts to improve the quality of life for foster children, his advocacy for the needs of troubled and abused children, and his continued commitment to the struggle to alleviate homelessness.

HI GANG! 'Tis been a busy month, what with the heat, the Millbury celebrations, and the added hot air emanating from Atlanta, Georgia. A lot of bull, a rehash of what we hear over and over again, every four years, same old stuff from the Dems and next month from the Publicans - but what the hell, it's time for a change, those that will throw the bull the farthest and the loudest and are the most convincing will be the winners - and that to me friends, is the name of that tune! Now on to more serious things...

BUT STILL with a political motif. Way back when there was this guy called Suetonius Tranquillus (I kid you not, that's a legit name). Well, he reported in a book he wrote entitled, "The Life of Augustus" that the great Roman Poet Vergil (remember him?) once held a funeral for a dead FLY complete with pallbearers and lengthy eulogies. In ancient Rome, cemetery land was not taxable. By interring the fly on the land surrounding his private villa, the wily poet turned his home into a burial ground and thus made it tax-exempt! How about dem beans? And that's how it all started; loopholes, tax exemptions, etc. Who was his tax lawyer? And that's the way it was, even in them days. Things haven't changed much, have they. You get the money and the know-how and you'll get away with it. The question seems to be: "How much Justice Can You Afford?"

AROUND TOWN. There's a new kid on the block. Have you met him yet? A chinese cookery complete with ribs et al. Now we have the pizzas, the wings and ribs, coffee and, all we need now is Colonel Sanders to make an appearance (Well, not him personally, him deceased - but his Fried Chicken!). I'm telling you, the folks from Sutton and Manchaug will be coming in for our goodies. Things are a-booming! We'll never want to leave town, we'll have it all here. Ha-Ha!

ACROSS TOWN. Stopped by Zayre's Warehouse in Westboro. Lot of stuff, bulk-buying, nothing to write home about. Parking lot full by 11 a.m. By the way, you're searched on the way out. That turned me off. They won't see me again.

DAFFYNITION. A pessimist is one who wears a belt, puts on suspenders, and carries a safety pin! Now that's a pessimist!

HOW ABOUT THIS ONE. There's an ad on TV that will guarantee your kiddo in school to go from C's and D's on his report card to all A's in a matter of 3.5 hours. The course, called "Where There's a Will There's An A!" is being sold for the low, low, low price of \$39.95. The course is on cassettes. There was testimony from some kiddos how they improved and their C's and D's were a thing of the past! Maybe our School Committees

should invest \$39.95 and find out what's going on. If it's that good, why aren't all the schools going for it? But what student is going to sit for 3.5 hours listening to tapes, educational tapes that is! The course sounds too good to be true. There's always some entrepreneur out there looking for the fast buck....

GUESS WHAT'S MAKING a comeback? The consensus around is that old fashioned diners are back in and will be part of the landscape in many cities. It seems as though people are fed up with fast food chains, cardboard hamburgers, dinky little fries! "Where's the Beef?" People want comradere, home cooked fresh food, a good cup of coffee, a place to meet and shoot the breeze and give the cook a bad time. There's a company out west that has several orders for new diners. Cost about a million per, but what the heck! Back to basics, I guess. That's what it's all about. I'll drink to that! "Hey Joe! Drop two, heavy on the home fries!"

WHAT AN HONOR! for the parents of newly ordained Fr. Roland Lajoie of Manchaug who was ordained and offered his first Mass at St. Anne's in Manchaug. We knew Fr. Roland way back when in CCD and CYC activities....Again, congratulations to Fr. Lajoie and his parents, Napoleon and Cecile! Good things are still coming out of Manchaug, a little village in Sutton. We miss our Manchaug and its people. Our prayers are with you all. God Bless!

GLAD THE FOURTH is over! Millbury was sure loud for a few days what with the fireworks etc. The pros did a good job but what about those ding-a-lings firing off rockets and cherry bombs in their backyards and almost causing small fires here and there. What a bunch of ignorant do-do birds. People like that will never smarten' up, they were born that way. Too bad!

"POLITICIANS should be accountable to all voters/people in this life...and will certainly be accountable to God in the next!" Mag Thatcher, Prime Minister of England. Good show, Maggie!

I DON'T care what you say, 60 cents for a cup of coffee in a restaurant is highway robbery! But if they included a donut....!

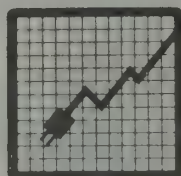

THE WAY I FIGURE IT...the new president's agenda would look like the following:

A. The First Year - Inaugural Address. Wear your hip boots! Appointments to lucrative posts within the administration to all those who favored him during the campaign with big bucks!

B. The Second Year - Finally arrange a meeting with all appointed politicians and lobbyists to map out an administration strategy.

C. The Third Year - fight with Congress in this third year to try to implement those policies established in the 2nd year.

D. Finally, prepare strategy for the coming campaign for the Presidency. Boring! And that me buckoes, is the name of that tune! Now that's being a pessimist. (Notice we didn't mention the Dems nor the Publicans. As of this writing, nothing is really clear yet on which hot Air Party will make it.)

.....
NO PICNIC HERE. In San Francisco, in the Bay area, thirsty ants driven by drought and heat are invading homes throughout the countryside...getting in beds, coming in through the water faucets, into the fridge! Good Grief! Ants in your pants. T'ain't funny, McGee....

.....
BITS 'N PIECES (again). Mea Culpa, Mea Culpa! Never thought the Red Sox would make a comeback. My apologies. The big question now is: "Will it last!"...**ON THE RASSLIN'** Side of Things. Never thought it would sink to the low that it has sunk! They are trying every gimmick in the book to keep the old viewers and attract new ones. What a show, what a disaster. Rasslin' was legit at one time. Now if you believe that, you'll believe anything. What a farce, yet millions do watch it. I would put them on Saturday morning with the Three Stooges! Funny and ridiculous! So much for that! **REALLY NOW!** The Duke of Paducah should call it quits! Turn over the governorship to... (I forgot her name already) and let her assume the problems of budget deficiencies and the need for higher taxes. And please Michael, no more comments on how you were born of immigrant parents! Who cares!...**HOW ABOUT** young Mat Brown of Iowa (2 years old) who fell off a third floor balcony, then promptly got up and began walking around after he landed on the grass. His

first words to his Mom were: "Owie! Owie!" He was O.K. but with a small bruise on his hand....**A GREAT JOB** of window decorating! Noticed that patriotic display in the window of that flower shop on Millbury Avenue over the Fourth of July period. Whoever put that together certainly knew his/her business. Well done!...**YOU KNOW** - we see a lot of denigrating of politicians in print, on the radio and the tube! You wonder why! You really can't blame the people after reading and seeing the graft, the Pentagon dirty dealings with manufacturers, the sloppy job of procurement, the using of government transportation for private business, the holding back of information from the public and land dealings and purchasing. Thank God there are a few good, dedicated honest politicians around, so few. What to do! Some say "Hang 'em in public!" But I think that's going a little too far! God Bless America! He has, but it's up to us to clean it up, politically and environmentally speaking. How's that! I didn't know I had it in me. I love my town, my state and most of all, my country. So many have given their lives for us, for our country. Yes, God Bless America! So much to be thankful for, we have so much!

.....
PRETTY NEAT! huh! Yupp, that Anniversary Edition was quite a write up. Thanks to our Editors. They did a fine job. We thank them for it....**A REMINDER** to parents who would find it difficult to dress their kids for school - and the prices are high. Take a gander at the Grafton flea market. They have quite an assortment of kids' clothing, new and used. Really, they have some good stuff there, you'd be surprised and you would save a bundle too! Try it, you'll like it!

.....
HE'S A GOOD MAN! We speak of Father Walsh, pastor of St. Mark's in Sutton. He's dedicated, available when needed, loves his parish and people, and they him. Tough being the only priest in a large parish but he's got some dedicated parishioners who help him out a lot! He's got a sense

of humor, but he does tend to extend his sermons a little beyond the allocated time. But, being the nice guy that he is, he's forgiven. We love him, and appreciate him! Multos Annos, Padre, and Pax Vobiscum! Figure now is as good a time as any to tell him how much we appreciate and love him.

.....
GUESS WHAT TIME it is? It's time to wrap it up for another month. Be the Good Lord willing and the creek don't rise, we'll be seeing you later. Until then, a wish for the Top of the Mornin' to you, the Warmth of the Day, and the Coolness of the Evening....And always remember, it could be worse! Love ya, Your Pal,
Joe Morin

Cooney Announces Candidacy for Clerk of Courts

WORCESTER - City Councillor Timothy J. Cooney, Jr., 47, of 51 Mary Ann Drive, Worcester, has announced his candidacy for the Democratic nomination for the Clerk of the Worcester Superior Court. The primary election is on Thursday, September 15, 1988.

Cooney, currently serving his ninth year as a Worcester City Councillor-at-large, was the Mayor of Worcester in 1987. He has been chairman or a member of all the City Council subcommittees during his tenure, currently chairing Traffic and Parking, and Public Service and Transportation subcommittees.

Cooney is the Executive Director of the Central Massachusetts Chapter, National Safety Council, a position he has held for the past 13 years. In 1976, Cooney also established the Probation Alternative Traffic School (P.A.T.S.). According to Cooney, P.A.T.S. saved the court system considerable time and expense, allowing the courts to deal with the more serious cases on the congested court dockets.

Cooney has overseen the planned \$2-million West Boylston Safety Center which the Safety Council will occupy in the fall of this year. In addition, Cooney has initiated a county-wide substance abuse education program for junior and senior high school students.

Cooney said that as Clerk of the Superior Court, he will work to eliminate the backlog of cases now pending. Cooney steadfastly supports a bill before the Judiciary Committee to add 48 appeals court and trial court judicial positions. According to Cooney, passage of this bill would help to clear up cases which have been pending for many months and even years. "It's unfair to both sides in a legal dispute to allow cases to go unresolved," Cooney said.

When referring to Court House records, Cooney stated, "I am confident that records in the Clerk's office can be readily computerized. In addition, computers can be made available in the Clerk's office so attorneys and the general public can review the status of cases. Systematic monitoring and access to records is possible and is something the general public is entitled to," he added.

Cooney, a graduate of St. John's High School, has earned degrees from Assumption College (B.A. - History and Government) and Worcester State College (Master's in Education). In making his announcement, Cooney also said that he has been active in numerous civic, social, religious and fraternal organizations over the years. He is presently a member of the Worcester Lodge of Elks, the Vernon Hill American Legion Post, and the North Worcester Kiwanis Club. He has worked on fund raising campaigns for the St. Francis Home, the Worcester Committee on Homelessness, St. Jude's Children Research Hospital, St. John's High School and Assumption College. He is also a member of the Worcester Boys Club Centennial Committee.

Cooney and wife, the former Joyce A. Katter, are the parents of three sons: Matthew, 19, a sophomore at Clark University; Andrew, 18, a freshman at Boston College; and Douglas, 8, a third-grade student at Thorndyke Elementary School.

CANDIDATES, PLEASE NOTE:

All candidate announcements for the September 15 primary must be received by the Millbury-Sutton Chronicle no later than noon on August 13th. No announcements will be published after the August 18 edition.

Roche Calls Budget a "Scam"

State Senate candidate Jack Roche of Westboro, has called Governor Dukakis' veto of \$91 million dollars in local aid money, "a disgraceful scam" against local services. In an effort to balance the fiscal year 1989 state budget, the governor vetoed \$91 million in local aid to cities and towns.

According to Roche, "This loss of money to our communities could mean that Leicester, Millbury, Sutton, Grafton, Upton, Hopedale, Westboro, Northboro, Hopkinton and Worcester may have to cut school programs, police and fire protection and delay maintenance on public roads so that the state can balance its budget. It's outrageous to force our communities to give up their money to balance the state's budget."

Roche also said, "Even though the state will use a variety of word games and accounting tricks to make us think that our cities and towns will receive everything they are entitled to, the bottom line is that they will be getting \$91 million less than they are supposed to."

Roche continued, "If elected State Senator, I would not tolerate cutting local services so that the state can continue to increase its spending at four times the rate of inflation. I would demand that the legislature override the governor's veto and instead cut state spending on such things as new employees, consultants and \$40,000 imported carpets for the senate president's office."

Third Annual Reunion

MILLBURY - The third annual reunion of the "Women" of the Millbury High School Class of 1951 was held on June 24 at the Asa Waters Mansion. This location was chosen as it is situated in the shadow of the old high school where the women spent their four high school years. The new high school was in the planning stages during this time. Shortly after the 1951 graduation, the new high school on Martin Street was completed.

This year's gathering of women was held during Millbury's 175th Anniversary celebration. All of the women present toured the mansion (some for the first time) as their way of celebrating with classmates. A "Guess Who" baby picture game followed the catered buffet. The women, some of whom travelled from as far away as Florida and Missouri, enjoyed the rest of the evening exchanging experiences from past years.

A committee has been selected for next year. The women of the Class of 1951 who attended this year's reunion expressed interest in a continued gathering each year.

Pictured below are the women members of the Class of 1951: Top Row (L-R) Barbara (McMahon) Bernier, Barbara (Mazzeo) Buduo, Nancy (Milliken) Crozier. 2nd Row (L-R) Barbara (Tarckini) Deschenes, Mary (Sweet) Grenier, Ferol (LaChapelle) Hagstrom. 3rd Row (L-R) Marion (Braney) Hamilton, Elizabeth (Blondin) Kotzen, Grace (Gagliardi) Laflash. 4th Row (L-R) Jesse (Credit) Lange, Betty (Walsh) Pichierr, Eleanor (LeMieux) Powers. 5th Row (L-R) Joan (Davis) McElroy, Gladys (Lundstrom) Moore, Martha (Sanford) Stafinski. 6th Row (L-R) Joyce (Graves) Stockwell, Sally Taylor.
